Canadian Pro Drivers has a new approved MTO DDC and DIC Defensive Driving Course for all driving schools.

This course qualifies you to teach the MTO approved DDC and DIC courses to those people that have been told by the MTO to take a course as a result of points violations or as a result of collisions.

This new and exciting course has also been welcomed by many private and public companies as a great course to have their drivers take.

We will show you how to turn it into a moneymaking course and at the same time enhance your position in the community.

Three Courses for the price of One!!!!

To become certified to teach these courses will require taking our 5 day instructor course that includes a **marketing component** that will show you how to market yourself to an entire new population of drivers and as an added **BONUS** you will also receive our **Supervisory Instructors course** as well. **Call CPD now at 416 233-0179 or email info@canadianprodrivers.ca for more information** Supervisory Instructor Course with this great new DDC and DIC course at a special price of \$1150 plus GST manuals and materials included

This course is only open to those that have driving instructor licenses or an equivalent position in a company.
